Thank you for reading this. This doujinshi is like a sequel story of the main one, "Kare to Kare no Ijwara na Kyori", published by Libre Publishing. I hope you enjoyed it at least a bit.

Masatoshi is the type to cherish his lover, so he does want to love Shigeru properly, I think. But, maybe it's because of the after-effect of his long time unrequited love, so as expected, there're times when he prioritizes Tatsuya. And when that happens, Shigeru would get hurt, but if the distance between their hearts could shorten little by little like that, I think it'd be really great.

Thank you so much.
